Foreword

The TATTLER Staff of 1952 is proud to present this TATTLER to the students of Niles High School.

We would like to thank all those who contributed to the TATTLER and helped us make the 1952 TATTLER what success it is.

We students sometimes think that high school is a circus involving many rings of activity. As the big show of education entertains and enlightens us, we are aware that the activities of the big show become more influencing, inviting and inspiring. These activities and experiences of school life are our preparation for a greater show, adult life, and our hope for the future.

ADRIAN NIEBOER

We, the students of Niles Senior High School, proudly dedicate the 1952 Tattler to Mr. Adrian Nieboer.

In addition to being a graduate of Western Michigan College and Columbia University, he has done graduate work at the University of Michigan. Mr. Nieboer, who is greatly admired by all who know him, teaches economics, government, and American history here. He is also the very able advisor of the senior high school student council. Under his direction such events as Career Day, Student Council Day, Student Government Day, and after-game dances have been possible. We truly appreciate the wonderful job you're doing, Mr. Nieboer.

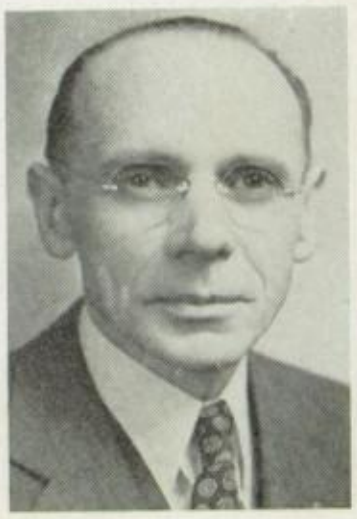
SUPERINTENDENT OF SCHOOLS

"It has been a most enjoyable experience to meet the teachers and students of Niles High School during the past year. This has been a year in which we have heard much of priorities and National security. Certainly we must continue to give a high priority to education. The education of boys and girls in America is basic to our National security. More education will help you live a more complete life socially, culturally, economically, and politically. It will open doors to a wider variety of jobs and add to your job security."

WALTER J. ZABEL, PRINCIPAL



"This 1952 TATTLER adds another volume to the many that have been published before. It has become a tradition in which each class feels honored to participate. It is a means of expressing in picture and story the activities of the school. Our student activities have demonstrated their educational values to students and to school.

The TATTLER Staff and advisors are to be complimented for this publication."

The Student Council is one of the most serviceable organizations in the school, for the student body has accomplished the following things this year under the sponsorship of Mr. Niebor: Homecoming, STAR, Snowball Dance, Southwestern Michigan Association of Student Council meeting, after game dances, Student Government Day, and various conferences for the improvement of student school life.

The Student Council is the interpreter of student desires and feelings to the administration and also assists the school authorities in many school functions. The officers are President, Cap Grathwohl; Vice-President, Dick Peterson; Secretary, Carolyn Thomas; and Treasurer, Joy Freeze.

One of the leading organizations of the council is the STAR. Under the chairmanship of Jane Grathwohl rapid progress has been made in the development of an organization of students to handle halls, cafeteria, and other activities of student government.

As in all forms of student activities there are those who fail to carry out their own responsibilities; however, the STAR organization can be proud of its first year of existence. The STAR can be successful only IF the student body co-operates. A successful STAR organization doesn't restrict freedoms in the school; it insures the freedoms for everyone.

The band started the year with pre-school marching practices, beginning on September 1. From then on the band was kept busy with football games, pep meetings, and civic activities. The band marched at all football games, at home and away, and appeared at the annual Band Day in Ann Arbor. Halfway through the marching season, they made the most important appearance of the season at the Fall Marching Festival at Coldwater, Michigan. In this festival the band received an L division in Class A competition. They finished a very successful marching season at Three Rivers.

The band's work did not finish with the marching season, but continued on into the concert season. They provided a pep band for basketball games and pep meetings, and presented a well-received Band Bounce on January 17 and 18. On January 29 the band played an exchange concert at Three Rivers, and Three Rivers promptly favored us with a return concert. As usual the band played two additional Instrumental League concerts on February 28, and on May 16.

The instrumental music department had sixty-five students participating in the District Solo and Ensemble Festival at Kalamazoo, Michigan, and the band as a whole participated in the District Band and Orchestra Festival at Kalamazoo, Michigan. This was one of the band's most successful years.

The Thespians have been an active club in Niles High School since December in 1947. The club, Troupe 766, is a member of the National Thespian Society. The purpose of the club is to promote the dramatic activity of the school.

In past years the Thespians have presented a program of three one-act plays, but this function has been abandoned this year due to a crowded school schedule.

This year the troupe has sponsored a trip for fifty students to Chicago to see Olivia De Haviland in George Bernard Shaw's "Candida."

This year's officers are Duane Mayhew, president; Richard Peterson, vice-president; Tom Bell, treasurer; Barbara Fuller, secretary; Virginia Smalley, clerk; and Carl Hallenius, sponsor.

This is the fifth year of publication for the NEW MOON. The paper is published weekly throughout the school year and sold at five cents per copy. In this way the paper is a self-supporting activity.

For two years the NEW MOON has presented Vi-King, with the woman's view of sports; a pupil opinion poll; a series of snaps of N.H.S. students and teachers; general coverage of school organizations and activities.

Karien Cook is editor; Delores Cannady and Nancy McCartney, feature writers; Sharon Lynd, sports writer; Jim Bowden, printer; and Carl Hallenius, advisor.

The NEW MOON has now become a student paper published by the Student Council. We wish the high-school paper a continuance of the success it has gained in the past.

In the fall of 1948 the F.F.A. of Niles High School was organized. They have conducted many co-operative activities and also enjoyed several field trips. These included a camping trip to upper Michigan, the International Livestock Exposition in Chicago, and the Michigan State Football game. Two members attended the National F.F.A. Convention in Kansas City, Missouri. The officers also attended a three-day leadership course at Dowling, Michigan, which resulted in a gold award in the district parliamentary procedure contest. SPORTS

VARSITY FOOTBALL

The season started out with Roosevelt of Chicago taking the opening kickoff and marching down the field with four successive first downs. It looked like a dismal start until our defense started clicking. Then Ronnie Pingle and Jack Zimmer led a 75-yard march down the field for the first T. D. in a game which ended 38-6 in favor of Niles.

On Dad's Night the Vikings made an effortless win over the South Haven Rams with Les Miller starring in a 54-yard run. Halfback Pat Neesley raced 36 yards after a pass interception for the first T. D. in the Dowagiac game, which ended 27-6 for the Vikings.

The Viking clads made another triumph over State High, featuring Les Miller in a hand-off play from Ronnie Pingle that netted a 71-yard gain and six more points. Lazell Davis ran for 49 yards and Bob Wolter followed up with a 48-yard run in the St. Joseph game that ended 20-0 for Niles.

Niles rolled right over Buchanan with an 18-6 score; Bob Plomb led the Vikings with a 50-yard scoring drive. A 19-13 score marked the struggle over Marshall, ranked third in the state, in a thrilling game. This was a contest between two closely matched teams, but the backfield combination of Niles forced upon Marshall its only loss of the season. Niles wound up its greatest season with a 27-0 score at Three Rivers on quite a miserable night amid raw wind and snow.

This season marked the first untied, unbeaten season Niles has had in modern times. The fine coaching of Al Lewis, Bob Theus, Bill Wall, Don Bender, Dick Skyles, and Harry Pilarski, plus a hard-working team, made this season possible. While the team scored 231 points to rank among the highest scoring teams in Niles History, the battering defense turned back every challenger. Al Lewis said that loyal and industrious coaching associates, fine support by the student body, and above all a truly fine group of Niles athletes contributed to the successful year.

REMEMBER THIS ICE-CREAM FOOTBALL?

The coaches and squad enjoyed and appreciated a series of banquets as guests of various organizations and businessmen in town. On November 20, after the football season was just a memory, the Niles City Club held the testimonial 16th annual football banquet. The co-captain of the 1951 team, Pat Neesley, presented Al Lewis with a trophy and Al Lewis introduced the co-captains, Dick Dunham and Harry Foster, for the 1952 team. This banquet made a fine ending for a highly successful season.

VARSITY BASKETBALL

During conference play Niles won seven and lost five while during the whole season, outside of tournament play, we won nine and lost seven. This year the Vikings ranked third in the Big Seven, submitting only to a strong Three Rivers team and a stronger St. Joe team. Coach Bob Theus, through most of the season, used a starting line-up of five seniors. Pat Neesley, and Les Miller played at guard, Fred Krieger and Tom Crocker payed forward, while Jerry Adler held down the center slot.

One of the most spectactular games of the regular season was with Benton Harbor. Niles being six points behind half way through the fourth quarter, Coach Bob Theus substituted Dick Conrad, John Petruska, Joe Winger, Gary Steeby, and Ronnie Pingle, and with a flash Niles had two baskets with the sharp eye of Gary Steeby. When the buzzer sounded, ending the game, Niles held Benton Harbor to no points, while the Vikings had made eight.

For the third time in the last four years, Niles drew St. Joe for the first battle of the District tournament. This is what the team, the fans, and Coach Theus had been waiting for. With an enthusiastic crowd cheering, the Niles team came up with the up-set of the state, a win over St. Joe. The next night the Vikings beat Buchanan to win the District Championship for the first time in eight years.

The next week Niles trampled Allegan in a fast, exciting game that the team won by three points. Later that week the Vikings beat Holland Christian in a game which is said to be Niles' greatest ever. That win clinched the Regional Champonship for the first time in ten years.

The next week the Vikes and their hundreds of followers traveled to Western Michigan College gym to beat East Lansing, winning the quarter finals, in a thriller. Niles, coming from behind with five minutes left in the fourth quarter, won the game by thirteen points, with the spark of center, Jerry Adler.

This great surprising class B team, which had won only nine out of seventeen games during the regular season, finally lost its shooting eye and consequently lost its semi-final game with Grand Blanc. "Pop" Theus, the team, and the Niles cheering students accomplished something that Niles High school will long remember.

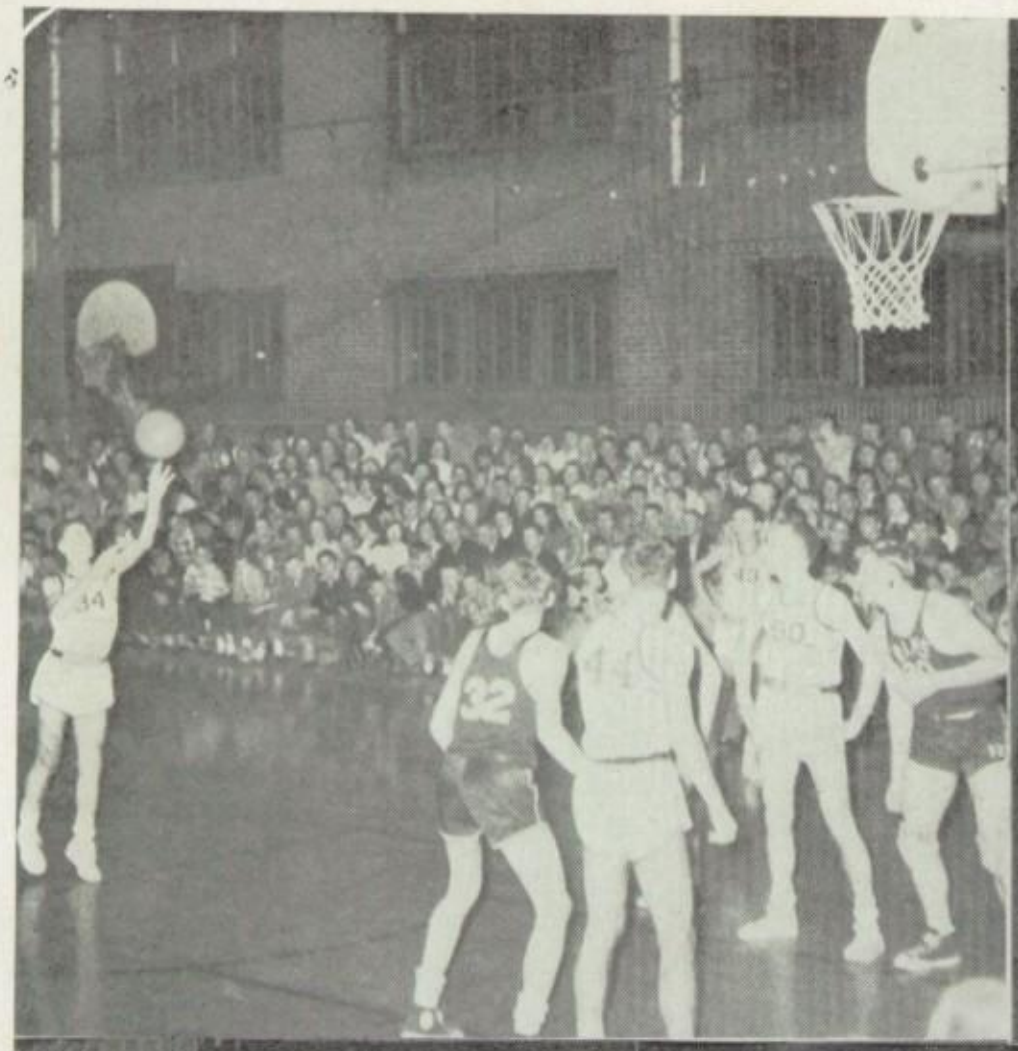
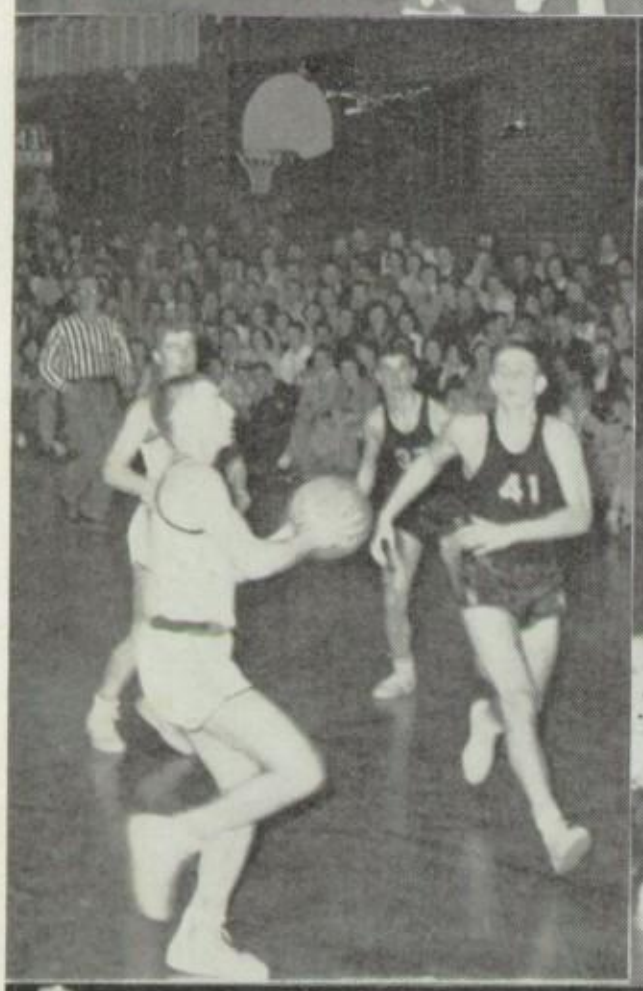
Here are the boys who could help Niles go all the way to the state next year. Their overall year was impressive, including 12 wins with but 4 losses.





1951 TRACK

Coach Hatcher, a Niles tradition as a good track competitor, and a determined group of underclassmen, plus an only senior, carried Niles once again through the conference and regional championships into the state meet.

Niles took its fifth consecutive track title on Friday night, May 11, 1951, under the expert coaching of Homer Hatcher. Ken Morris ran a 40-yard lead in the mile with a time of 4:38, just over the conference record of 4:35.6. The all sophomore foursome of G. Rollert, L. Cochran, D. Corwin, and C. Allen won the medley relay. Bob Woltor took the shot putt with 42 feet 3½ inches, Dick McNeal took the broad jump with 19 feet 5 inches, Jack Zimmer copped the 220 with 23.8, Tom Deforest took the 440 in 55, and Captain Bob Shrader won the half mile with 2:07.2.

Hatcher's favorite young squad raced away with the regional championship on first placers—Ken Morris in the mile; Tom Deforest in the 440; Jack Zimmer in the 220; the 880 relay team of Al Marazita, Dick McNeal, Bob Wolter, and Jack Zimmer.

Hatcher's hatchlings did not fare so well in the state. The few points scored for Niles were Ken Morris' second place and Wayne Hentch's sixth place in the mile and the fourth place finishes of the 880 relay and the medley relay teams.

The Niles track squad should be great in 1952.

JUNIOR HIGH DEDICATION

MARGARET PARROTT

The Junior High School students take great pride in dedicating their section of the 1952 TATTLER to Miss Margaret Parrott.

Miss Parrott received her B.S. degree from Western Michigan College. She joined the school family five years ago and is now teaching gym and hygiene to seventh and eighth grade girls.

Miss Parrott has gone with science and biology students on their camping trips. She also helps the junior and senior high cheerleaders and helps to plan our pep meetings.

Miss Parrott's ready smile, good humor, and inspiring and enthusiastic cheering at the games will long be remembered by the students, both junior and senior high.

The Niles Junior High School Student Council has been very active this year under the direction of Mrs. Bender and Mr. Leeman. They have sponsored many junior high dances and operated the lost and found case where candy sales were conducted each day. A Red Cross program was sponsored by the Council this year and they also contributed toward the Viking Handbook.

Membership was composed of ten representatives and six alternates elected from each class in Junior High School. The officers are Charles Thomas, president; Tim Tyler, vice president; Dick Knott, secretary; and Warren Marazita, treasurer.

Junior high school students who receive the highest ratings in instrumental auditions make up the fifty-member Junior Band. This experience prepares the students for future membership in the Senior Band.

This year, besides participating in the Band Bounce and seasonal concerts, the Junior Band took part in the district band contest at Kalamazoo, where they received a "1" division rating. They also played at the junior high basketball games and some of their members participated in the district solo and ensemble contest.

Several Junior Band members united with the Senior Band to form the marching band. This group marched at the football games, the fall marching festival at Coldwater, and Band Day at Ann Arbor.

This year's Junior Band officers are President, Robert Montgomery; Vice President, Tom Rough; Secretary, Mitzi Rapes; Treasurer, Jerry Rossow; Librarian, Marilyn Knauf; and Uniform Manager ,Mary Morton.

WILSON REFRIGERATION, INC.
PIONEER MILK COOLER AND HOME FREEZER MANUFACTURERS

Tyler has purchased the operating business of Wilson Refrigeration, Inc., of Smyrna, Delaware, which will be operated as a division of the Tyler Fixture Corporation. Thus, the name WILSON—famous since 1927 as a leading manufacturer of milk coolers, freezers and commercial refrigerators—is added to HARDER—pioneer in home and farm freezers, and TYLER—famous for *welded-steel* refrigerator display cases and commercial refrigerators.

The Tyler commercial refrigerator line—the most complete in the world—will continue to grow! The enlarged Tyler organization enjoys a combined total of over 140 years experience, with over 16 acres of plant, office and warehouse space. Tyler will continue to develop new and better refrigeration equipment for food stores and eating places of all kinds, for the farm and for the home.

PENNEY'S

100% Values

Quality first! No more doubtful values! That's the ultimatum of today's wise shopper. Penney's endorses this movement.

We put quality first because it's good common sense. Our success is built on it.

And because we intend to operate for years and years to come — we've no intention now of abandoning our rigid standards. Low prices appeal to us, of course. Penney's is always searching them out and presenting them to you daily. But — ALWAYS — quality is the distinguishing factor. One hundred per cent is our ideal — and Penney values must NEVER fail to measure up to it.

We're Proud of Them!

WE'RE proud of them because of the fine progress they're making in their new telephone jobs. And you can be proud of them, too, because they're friends of yours. We mean the girls who joined Michigan Bell after graduating from this high school last year.

They're just the kind of girls we want in our organization. This June brings another graduation day when many girls who are now seniors will be starting a new and different life in the business world. We hope it will be with their friends here at Michigan Bell.
